How to Check your eligibility for Funded Childcare

Parents can check their eligibility for 30 hours through the [childcare calculator](https://www.gov.uk/childcare-calculator) (<https://www.gov.uk/childcare-calculator>) and apply for 30 hours and Tax-Free Childcare through the [childcare service](https://www.gov.uk/sign-in-childcare-account) (<https://www.gov.uk/sign-in-childcare-account>).

If eligible, you will receive an 11-digit eligibility code. Before you can book a place, you must bring your code, national insurance number and child's birth certificate so we can check it is valid.

Every three months parents will need to confirm that the details they entered on their application are up to date. The government will send email reminders and text messages to do this, but it is good practice for you to remind parents as well.
